ONLINE COLLECTION

[Education Online Collection](#) - Match your library's specialism to ours!

Since January 2008, current content for all Education journal titles formerly published by Lawrence Erlbaum Associates (LEA) has been made available on informaworld™. The LEA list is particularly strong in the fields of Education and Behavioral Science, and complements the existing Routledge and Psychology Press programmes.

The [Education Online Collection](#) will contain an additional 31 titles, formerly published by LEA. The inclusion of these new titles will make the

[Education Online Collection](#) an even stronger and more valuable resource for all interested in Educational Research. The [Education Online Collection](#) covers issues ranging from history of education, educational research and new teaching techniques, to contemporary learning developments. It also includes some of the most prestigious journals in the field, including a large number of titles published on behalf of eminent societies.

Those who subscribe to our current content packages, the [Taylor & Francis Social Sciences and Humanities \(SSH\) and Science and Technology \(ST\) Library](#), and to our [Education Online Collection](#), will benefit from access to this additional content.

For a list of all LEA titles available via informaworld™, and their new URLs please visit: www.informaworld.com/lea
